Thank you for your interest in the Trageschule Foundation course in London. In order to secure your place on the Trageschule Training Course ("TSTC") and to enable us to prepare your training pack, please return this completed Order Form along with your deposit (or if you are paying in full, the TSTC Charges) to us ASAP or within 14 days of the date of this Order Form to:

Trageschule, 11 Trinity Street, Hebden Bridge, HX7 6LP.

If you have any problems with returning your Order Form or making your deposit payment before this date, please do get in touch and we will see what we can do. More details are below - please do not hesitate to get in touch if you need more information before you make your booking! We are always happy to help.

Trageschule Consultant Training Agreement

This Order Form is part of and must be read together with the Trageschule Consultant Training Agreement. The Trageschule Consultant Training Agreement contains important information about the TSTC, including the conditions which apply both to your attendance at the TSTC and to your continued entitlement to the relevant Trageschule Certificate once you have graduated from the TSTC. For these reasons, you must read the Trageschule Consultant Training Agreement before you sign and return this Order Form, and by signing and returning this Order Form to us you confirm that you have read the Trageschule Consultant Training Agreement and that you accept its terms.

Foundation Course Fees

The Early Bird Foundation course fees are £300 per person. The discount for not having the short wrap in the training pack is £35 (giving a discounted price of £265). (Whilst we do not endorse or recommend any particular products, these wraps were specially designed to work well for demoing and teaching Trageschule techniques for hip carries with a short wrap). If you miss the Early Bird booking date, the course fees are £350 and we will be unable to supply a wrap; if your preference is to pay via Paypal, please contact us for details.

Installment Plan

Although we welcome payment in full at the time of booking, we also offer an installment plan which is available on request. If you would like to pay by installment, please contact us at the time of booking.

- The first payment of £50 at the time of booking secures your course place. In the event that the course does not make the minimum numbers, we will refund this installment to you (for refunds and cancellations under different circumstances, the Cancellation Policy below applies), unless you ask us to transfer your booking to a different course (subject to availability).
- The second payment of £150 (which includes your kit fee of £90) must be paid by the date the course is confirmed (this may be six to four months before the course dates at the earliest). If you are booking a place on the Foundation Course and are choosing not to order a short wrap because you are bringing one to the course yourself, this amount would be £115 (instead of £150). Please add the date a day before the due date for the 2nd payment to your calendar with a note to make.
- The third payment of £100 (which includes your one-off £50 Trageschule network registration fee) must be paid to us in cleared funds 14 days prior to the first day of the course at the latest. Please ensure that you make the payment in sufficient time to allow your cheque or funds to clear.

If you think you may have any difficulties in making any payment in accordance with the above terms, please do get in touch and we will do what we can to help.

Space availability

In order to minimise the teacher/attendee ratio, which improves the quality of the course and enables the teacher to maximise time spent with individual attendees, attendee numbers are limited to ten attendees per teacher. We are always happy to organise additional courses in the event that there are minimum numbers of participants who wish to attend – just contact us for more information if you are interested. We run all courses subject to a minimum number of confirmed participants; this number varies depending on the course location.

Materials

In addition to the material kit provided each attendee needs to have a long woven wrap (one that you can do a Front Wrap Cross carry with. This will mean a wrap of 4.6 metres for most people; or longer if you are taller or larger than average height/size), a stretchy wrap, a ring sling, a Mei Tai or other Asian-Based Carrier, a Soft Structured Carrier and a weighted demo doll (ideally, with bendable knee joints).

If you are looking to buy a babywearing demo doll, look for one that is weighted to imitate age - and weight-appropriate floppiness through the head and upper body, and that has bendable knees to enable spread-squat, 'froggy-legged' position. Some of our past course participants have been able to make their own. Some people have been able to borrow such dolls locally, e.g. from their Babywearing Meeting Leaders. At a pinch, some people have used a rag doll (although this is not ideal it does nevertheless allow a basic level of skill development).

Training pack details

(Tick next to the option that you are choosing)

I would like 2.7 Trageschule wrap in purple/red ('Summer') jacquard fabric, made by Didymos.

I would like 2.7 Trageschule wrap in red/orange ('Autumn') jacquard fabric, made by Didymos.

I intend to bring my own short wrap (2.7 m) to the course - in this case, pay £265 overall, or, if paying in installments, pay £115 instead of £150 for your second installment.

Cancellation Policy

Because we have to book our venues, pay for course materials, travel and accommodation (as appropriate) in advance, our cancellation fee is 100% of the TSTC fee. We understand that you need financial certainty, as we ourselves also do. For this reason, we ask that you only book your place on the TSTC if you are sure that you will attend. Please see the Trageschule Consultant Training Agreement for further details regarding cancellation.

If, having booked a place, your circumstances change and you cannot attend, we suggest that you try to find a replacement attendee to take your place. We will be happy to co-operate in such circumstances and will substitute the replacement attendee for your place on the course.

Because we understand that attending a TSTC can be a significant effort and expense for course attendees, and may involve having to arrange travel, accommodation, childcare and/or time off work, we take care in making our course arrangements. However, sometimes circumstances beyond our control can arise which can mean that a course might need to be cancelled or postponed, and should this occur we will organise and offer a re-scheduled TSTC date to the attendees as soon as practicable and in such event no additional charges or fees will be charged to you. We encourage you to book travel and/or accommodation which can be cancelled and refunded, or to insure such arrangements, wherever practicable.
